② After a month of use of site — user gets a generous coupon — or every mont year/biyear competition for new students
        ↓
Aspirants get a discount after month of use —
to update to expert @ end after paying only $1000 or so
mou.

similarly institutional users gets a discount as well

— Coupon valid for 1 month

Institutional user gets cupon for ~~transferia~~ updating to aspirant only— this ~~to~~ person will get discounted price for Expert updation nearly after 8-9 months of use for shorter duration as he will be likely to squeeze it out more.

— Regarding retention

   —no screenshots or whatever
   — single device login
   — no printable notes —even the ones that aspirant creates — print chahiye to update

   — Anki feature in MCQ section for limited usage —— optional for difference and marketing the app as scientific.
